

## Time bingo - seven by seven

Write these times in numbers.

a quarter to three	a quarter past three	half past six	quarter to eight
half past four	half past five	three o'clock	a quarter to ten
six o'clock	half after three	quarter to five	quarter after eight
quarter past twelve	one o'clock	a quarter to seven	a quarter after ten
eight o'clock	a quarter to nine	a quarter after one	quarter past eleven
twelve o'clock	a quarter to six	ten o'clock	two o'clock
quarter past four	a quarter after six	quarter after two	half past nine
quarter to twelve	quarter past nine	a quarter to eleven	half after ten
half past one	quarter past seven	seven o'clock	five o'clock
quarter past five	half after seven	quarter to four	half after eight
quarter to one	eleven o'clock	four o'clock	half past eleven
a quarter to two	half past two	half past twelve	nine o'clock

Write the times in the boxes.

Now let's play bingo!

(There are 16 winning lines; 7 lines across, 7 lines down, and 2 lines diagonal.)
